

Rainbow shawl

Triangular shawl, knitted as a domino triangle, i.e. starting with the legs of the triangle. The finishing point will be at the centre of the hypotenuse.

You need:

Kauni 8/2 Effektgarn, 210 grams
= 924 yds / 845 m
or other wool yarn of similar weight.

Circular needle size 6 mm (US 10).

Please note:

The shaping of the triangle is made by making 3 sts into 1 (K3tog) at centre on alternating rows (RS) and decreasing 1 st (K2tog) at beginning of each row.

This will be implied throughout and **ONLY** specified in the instructions for the lace flower pattern.

Decrease K3tog: slip 2 sts knitwise onto R needle, K1, slip sts over knit st: 3 sts become 1 st. Always purl this st on WS.

Decrease K2 tog: slip 1st st on row purlwise, K2 tog, work row.

Outer rim:

Using knit on method, cast on 399 sts. Place markers after st no. 50, 150, 249, and 349.

Work in garter st for 10 rows.

Work 7 rows st st with garter edges: slip 1, K2 tog, K9 on each row.

Work 12 rows garter st, ending with WS facing for next row.

Flower band:

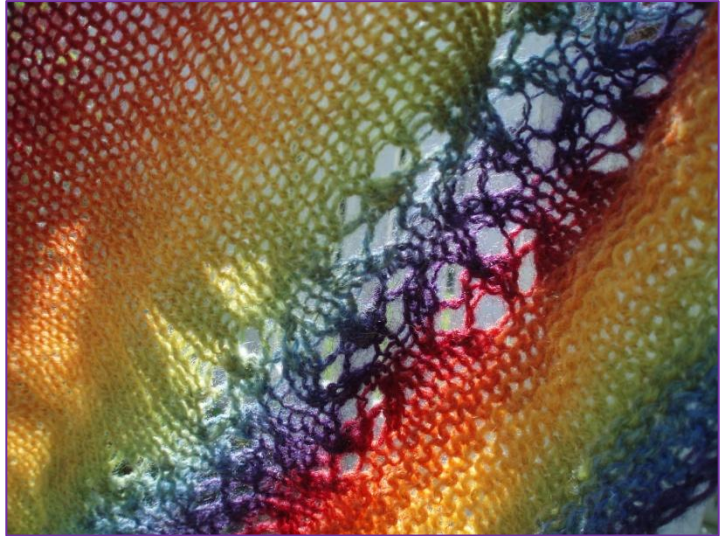

All WS rows: purl with garter edges.

Please note: the K3tog for the lace flowers is slightly different than the K3tog used for the centre decrease.

Lace K3tog: slip 1 st knitwise, K2tog, slip st over knit sts.

Row 1 (WS): slip 1, K2tog, K9; purl until 11 st remain, K11.
